HS2 Phase 2b: Crewe – Manchester and West Midlands – Leeds

Have your say

Consultations on the working draft Environmental Statement and working draft Equality Impact Assessment Report

In July 2017, the Government confirmed the route for the next phase of HS2: Crewe – Manchester and West Midlands – Leeds (known as Phase 2b). Since then we have been continuing to work on developing the design for the route and assessing the potential effects of our proposals.

Between **11 October 2018** and **21 December 2018**, we are carrying out two consultations on the Phase 2b route. These are:

- **The working draft Environmental Statement** that describes the likely environmental effects of building and operating Phase 2b of HS2; as well as proposed ways to avoid, reduce, mitigate and monitor these effects.
- **The working draft Equality Impact Assessment Report** that considers the potential effects of building and operating the railway on groups protected by the Equality Act (2010).
