

Great for you and your dog

Health experts recommend that we get at least 30 minutes of exercise each day and this is something that everybody can achieve on a daily dog walk in the countryside.

Code of Conduct

- *Pick it up, Bag it, Bin it - Any bin will do!*
- *Keep your dog under close control*
- *Ensure your dog does not interfere with other visitors*
- *Respect the site and do not disturb wildlife*
- *Ensure your dog keeps to areas where you have right of access and away from livestock*

Report fouling or other dog issues to the Cheshire East Council Dog Wardens

**£50 FINE
FOR OFFENDERS**

- Out of control dogs can kill livestock
- Keep your dog close to you so it does not sniff out or flush out nesting birds
- Stop your dog from digging up plants or digging holes which can become a trip hazard
- Never let your dog go out of your sight
